

The annual SSBA symposium 2016 is seeking sponsors

The annual symposium of the Swedish Society for Automated Image Analysis (SSBA - Svenska Sällskapet för automatiserad BildAnalys) is Sweden's premier gathering of researchers engaged in computerized image analysis, image and signal processing, computer vision, pattern recognition and related areas. The symposium for 2016 marks the 40th anniversary for SSBA and will be held in Uppsala, March 14-16.

Sponsorship

Our sponsorship packages offer a unique opportunity to;

- Network with the leading research groups in Sweden
- Gain visibility before, during, and after the symposium
- Meet and recruit graduated or soon to graduate PhD students.

Silver sponsorship 5,000 SEK

- Your logo on the conference web site
- Acknowledgement of your support during the conference
- Your name mentioned in conference publications

Gold sponsorship 10,000 SEK (includes silver sponsorship benefits)

- Distribution of short materials (brochure, bag items) that you provide in advance
- Your rollups displayed in the exhibition area during the 2 day technical program
- Priority exhibition space for demonstrations and promotional material during the 2 day technical program
- One free registration

Only Demonstration & Exhibition space 5,000 SEK

- Priority exhibition space for demonstrations and promotional material in the atrium of the conference venue during the 2 day technical program
- One free registration

Best Industry Relevant Paper Award 10,000 SEK

- The prize is given to the authors of a SSBA symposium paper
- Includes the opportunity to participate in the prize committee

If you have special needs or ideas for other kinds of sponsoring, please contact us. Past examples include for instance USB memory sticks, reception drinks and candy.

Also, as an industry member (2,000 SEK/year) you have the opportunity to present your company on SSBA's webpages and advertise for open positions and MSc thesis project students etc. throughout the year. For more information see: <http://ssba.org.se/about/foretagsmedlemskap/>

Kind regards,

A handwritten signature in blue ink, appearing to read 'Ola Friman'.

Ola Friman
President of SSBA

A handwritten signature in blue ink, appearing to read 'Robin Strand'.

Robin Strand
Conference Chair

For more information and booking, contact anders.brun@it.uu.se or call 0733-588571. Detailed information about the program will soon be available at the conference homepage, <http://ssba2016.cb.uu.se/>. For more information about SSBA, please visit <http://ssba.org.se/>.
